Acoustic Felt Construction

Available in 5 different sizes and a wide variety of patterns and colours to choose from, it is the ideal option when lighting large open spaces or simply wanting to create a stunning yet noise-reducing lighting feature.

Simply choose your pattern, or design one of your own and use any of the 30 bird-inspired colours or 5 REJUVINATE, REFINE & REFRESH range colours as the base colour. Then, choose from one of the 5 top colour options to complete your design.

The versatile design makes our Aura acoustic light pendant particularly ideal for break-out areas, social spaces and informal collaborative spaces where several sizes and shapes can be installed together to manage noise and add visual impact to areas that require lighting and acoustics.
